

## FROM THE EDITOR

Dear Colleagues,

*“Asthma Allergy and Immunology”, the official journal of Turkish National Society of Allergy and Clinical Immunology, is a peer review journal and has been in publication since 2003. The official languages of the journal are Turkish and English and the articles have been available online since 2003. So far, it has basically provided national data on allergy and immunology*

*Recently, we have extended our scope to international grounds. We are grateful to the members of the international editorial board of our journal who accepted our invitation and supported our mission. I would also like to invite you to submit a manuscript to “Asthma Allergy Immunology” and share your experience with us.*

*I am pleased to inform you that online manuscript submission will be available soon. Please visit the web site of Asthma Allergy Immunology [www.aai.org.tr](http://www.aai.org.tr) for submitting a manuscript.*

*On behalf of Turkish National Society of Allergy and Clinical Immunology, I would like to invite you to our National Allergy and Clinical Immunology Congress which is going to be held in Antalya, between 3 and 7 November 2009. I believe, you will be satisfied not only with the scientific contents of the Congress but also with the social program and enjoy the lovely city, Antalya which is located in the unique Mediterranean coast of TURKEY.*

*Finally, as many of you already know the 30<sup>th</sup> Congress of the European Academy of Allergy and Clinical Immunology, 2011 will be held in Istanbul, TURKEY on June 11<sup>th</sup>-15<sup>th</sup>, 2011. Please, be ready to be involved in a magnificent Congress that the organizing committee is preparing for you. Istanbul not only connects Europe and Asia but is also a melting pot for different cultures. This will be a time the city will surround science with its unique and outstanding beauties. If you have not been to Istanbul before, do not miss this unique opportunity of experiencing science in a glamorous atmosphere!*

*We are looking forward to the opportunity of welcoming you in Istanbul and your scientific work in our Journal.*

*With best regards,  
Gülfem E. Çelik, MD, Professor
